

David E. Preng

David Preng has been President and CEO of Preng & Associates since its inception in 1980. In addition to headquarters in Houston and an office in London, Mr. Preng opened the first Western search practice in the FSU in 1992 with an office in Moscow. Prior to 1980, he spent six years in the executive search industry with two international and one national search firm. He has worked on over 1400 energy-related searches throughout the world ranging from board and senior executive to managerial and senior technical positions. His industry experience includes financial, managerial and executive positions with Shell Oil, Litton Industries and Southwest Industries.

Mr. Preng was a Director of Remington Oil and Gas (Chairman of the Compensation Committee from 1997-2006). He currently serves as a Board Member of the National Association of Corporate Directors – Houston Chapter, a Director of Community National Bank, a Fellow of the Institute of Directors in London, and a Director of three public companies – BPI Energy Holding, Cal Dive, and Maverick Oil and Gas. He is a member of several international technical and business organizations and has served three three-year terms as a Director of the British American Business Council and was its President in 1999 and 2000.

Mr. Preng holds a Bachelor of Science degree in Finance from Marquette University and a Master of Business Administration from DePaul University.
