Texas A&M University is proud to recognize:

Azmi Al-Said Khreisat
Amman, Jordan

2013 Lockheed Martin World Scholar in Residence

Students, Faculty, Staff and Community are invited to an open lecture and Q&A presented by Mr. Khreisat entitled:

“Status of the Energy Industry in the Middle East and North Africa (MENA) Region”

Wednesday, April 10th
2:00 PM
Auditorium (Room #1105)
Interdisciplinary Life Sciences Building

Azmi Al-Said Khreisat is Principal, International Energy Consultation Enterprise (IECE), and the Former Jordanian Minister of Energy and Mineral Resources, The Hashemite Kingdom Of Jordan. He holds a BS in Electrical Engineering from Leningrad Polytechnic Institute, Russia, and a MS in Electrical Engineering from University of Manchester, UK

Azmi Al-Said Khreisat was the Minister of Energy and Mineral Resources of the Hashemite Kingdom of Jordan until November of 2006. Under his leadership the comprehensive restructuring of the country's power sector was completed, the reform of the petroleum sector was designed and initiated, the natural gas supply agreement between Jordan and Egypt was concluded, and a 393 km pipeline was built on a BOOT basis.
